19 June 2015 - The revised YHRP presents a re-assessed comprehensive response strategy for Yemen for the year 2015. It includes all high-priority activities from the original YHRP, all Flash Appeal activities, and any new emergency activities deemed critical by partners. Financial requirements for the entire year are comprised of the current funding request (covering 1 April to 31 December) and pre-crisis activities that had already received funding in the first quarter (1 January to 31 March).

CAP: The consolidated appeals process (CAP) is the precursor to the current humanitarian programming cycle (HPC).
